1-3	"Be it resolved that the Members of the IGNITE Student Union ratify the above
	individuals as newly elected/appointed Board of Directors, until April 30, 2024,
	be approved as presented."
	Motion carried

5.0 PRESENTATION OF THE 2022-2023 IMPACT REPORT

The chairperson, J. Urzua presented the 2022-2023 Impact Report, and expressed her commendable satisfaction with this year's report and the noteworthy achievements of IGNITE. Key focal points of the presentation included:

ORGANIZATIONAL STRUCTURE

- An organizational structure that's diverse, inclusive, and equitable is important, and IGNITE
 is proud to employ people from all walks of life. Students are at the forefront of everything
 IGNITE stands for and achieves.
 - Hired part-time students, including 18 domestic and 40 international students all with paid, on-campus jobs.
 - 9 Directors of the Board and 2 student advocates who work tirelessly for students on our campuses.
 - Our Academic Program Reps also advocate on behalf of students in their programs, making positive changes for current and future learners.

LEADERSHIP & ADVOCACY

- Launched advocacy campaigns like Need or Greed to advocate for international student tuition freeze, where students joined IGNITE and other Student Unions at Queen's Park for a protest.
- Introduced two new scholarships, the IGNITE Pride Scholarship and the IGNITE Indigenous Scholarship which is in partnership with Humber's IE&E department. These scholarships are in addition to IGNITE's Black Excellence Scholarship which awarded a total of 15 students \$1000 each.
- Engaged our equity partners through programming like Black Heritage Tabling, Indigenous Movie Night, Pink Sweater Day, and Trans Day of Visibility.
- Promoted a sense of community by supporting the establishment of clubs and had 137 students join for Clubs Day.
- Hired 31 student academic representatives 7 from Guelph-Humber and 24 from the Faculty of Social and Community Services.
- Witnessed active student participation with 7,061 votes cast in IGNITE's Board of Directors elections.

CAREER SUCCESS

- Provided training to 651 students through our Skills Bundle program, equipping them with the necessary skills for success in their careers.
- Offered Work Integrated Learning opportunities to students, including our tax clinic, where IGNITE processed hundreds of student tax returns for free.
- Introduced the GLOW Scholarship, an annual recognition for 18 students: one from each Academic Faculty at Humber and each Program at the University of Guelph-Humber (UGH). This scholarship rewards participation in community development and outreach through work-integrated learning opportunities.
- Engaged over 1458 students in various Career Month activities and sponsorships,
 facilitating their active participation and exposure to different career-related opportunities.

WELL-BEING AND FINANCIAL SECURITY

- Assisted 1108 students with our Bursary and Financial Relief Program distributing \$786,00.
- Supported approximately 30,000 students with our health and dental insurance plan, with 431 opt-ins.
- Distributed over 3,176 free frozen soups to students.
- Provided over 1000 students with a free membership to headspace to help them maintain a healthy work-play-rest lifestyle while continuing to chase their ambitions.
- Provided free menstrual products across campus bathrooms and offered \$50 vouchers for students to purchase reusable period products.

SOCIAL ENGAGEMENT AND OPPORTUNITIES

- Hosted the inaugural Hype Hall event with an impressive turnout of over 588 students.
- Successfully organized the first in-person FROSH event since 2019, drawing a crowd of 2.471 students.
- Facilitated connections among 1,800 students through engaging Speed Friending events.
- Garnered participation from nearly 10,000 individuals in the entertaining IGNITE Spin Wheel Contest.
- IGNITE's dedicated Brand Ambassadors interacted with more than 2,234 students through a variety of activations.

6.0 PRESENTATION OF THE 2023-2024 BUDGET

Tara DeFrancesco, the Director of Administration and Finance presented the proposed Fiscal 2023-24 Operating Budget which included the following highlights:

Revenues

- (4) mandatory fees which are calculated by taking the individual fee category rates multiplied by 100% of projected enrollment provided by Humber College and UGH.
- (1) optional fee which is calculated by multiplying 90% of projected enrollment provided by Humber College and UGH by the category fee rate. This 10% opt-out rate is based on the couple of years of history IGNITE have experienced where students were provided with the option to not pay this fee.
- Ancillary revenues have grown from the prior year due to interest earned on our balance held with Humber College. The interest calculation is based on prime which have almost doubled from the previous year. There is also interest earned on our GIC investments.
 - Ticket sales planned for this year include Frosh and our EOY event.
- Commercial revenues include rental income (\$26k), agenda advertising (\$14k), and a graduation photography contract in place (\$30k).

Expenses

Career Success:

- Fee is \$13 starting Fall 2023
- Marketing and communications have decreased from \$65k to \$50k comparatively to adequately fund the administration required to carry out the category's offerings.
- The administration budget included in all categories consists of an allocation of full-time staff and part-time resources required to run the Career Success category.

Membership:

- Fee is \$19 starting Fall 2023
- The maintenance and improvements consist of annual property cleaning costs as determined by Humber College and any general facility maintenance required.
- Technology and consulting include the cost to maintain or replacement capital assets, such as laptops; includes website maintenance, support and upgrades that are necessary for our 2-accounting systems and data backup; any other consultants IGNITE may engage with during the year. (Increase from prior year relates to 1-time videography equipment budget)
- Office and operating expenses include all general costs to operate IGNITE; it includes mandatory Commercial General Liability insurance, a human resource system, annual and monthly subscriptions required for our team to operate, team meetings and staff recognition and general office support which is consistent with the prior year.
- Administration expenses mainly comprise part-time staff wages and benefits for IGNITE operations, totaling about \$145K. The reduction from the previous year's budget is due to a redistribution of part-time staffing costs across various categories, as opposed to being solely under membership. Last year's budget allocated \$730K for part-time staff wages and benefits, while this year's budget designates a total of \$850K across categories. IGNITE is one of the campus's largest student employers and covers all planned training, including media, DEI, and sustainability. This budget also encompasses professional development, uniforms, and onboarding kits for part-time staff.
- Bank fees, audit, and legal expenses are explicit charges. Legal expenses serve as a precautionary fund for potential 'in case' scenarios.
- Membership benefits are any collaboration or partnership opportunities that may arise, particularly those that arise with Humber College and UGH. Historically, such opportunities have included IGNITE participating as Humber College's main sponsor at the national championships hosted by Athletics, sponsoring Humber College's refugee students and providing relief for student payment plan administration fees. These expenses also account for student agenda production, which is available for all students at no charge. The large increase from the prior year is due to the reallocation of a significant portion of part-time staffing costs into the categories that they directly relate to, augmenting funds for membership benefits and student support.

Well-being & Financial Security:

- Fee is \$18.25 starting Fall 2023
- Marketing and communications for promotions, marketing and communications
 of all programming and services in this category. Budget has decreased from \$52k to
 \$30k comparatively to adequately fund the administration required to carry out the
 category's offerings.

- Programs and services include 1 RealTalk, events, partnerships and wellness programs including Menstruation Kits, Self-Care initiatives and Food security programming.
- Financial Relief Programs includes \$400k for bursaries available to domestic, international, Humber and UofGH students and \$150k for financial relief program administered by IGNITE.

Advocacy and Leadership:

- Fee is \$13.75 starting Fall 2023
- Marketing and communications for promotions, marketing and communications of all programming and services in this category. The budget has been reduced from \$73k to \$22k, mainly to support the necessary administration for category activities and agenda production costs. Additionally, this year, \$27k has been reallocated to the membership category, contributing to the decrease.
- Advocacy initiatives includes the College Student Alliance membership, Academic Program Representative program, Clubs, the black, pride and indigenous scholarships, and all other advocacy initiatives that IGNITE plans to participate in: Black excellence conference, IWD, etc.
- Administration includes not only the allocation of full-time and part-time staff resources that support this fee category, but also the Student Advocates compensation and benefits.
- Governance includes all costs related to elections, board training, meeting administration expenses, honorariums and D&O liability insurance.

Social Events & Opportunities:

- Fee is \$20 and is optional for students.
- Marketing and communications for promotions for all programming in this category.
- Programming and services include Frosh, Hype Hall, the IGNITE contest, Mystery Boxes and a first-year student welcome activation.
- The administration budget included in all categories consists of an allocation of full-time staff and part-time resources required to successfully operate this category.

The total of these category expenses is \$6.14M, which is equal and balanced to the revenue expected to be collected.

The insurance program will operate a \$30K deficit this year as IGNITE have secured a new 6-year contract with ACL, which is existing health and dental insurance provider, where students pay \$110.69 for their health and dental plan, but it will cost IGNITE an additional \$0.43 per student to provide for the resources required to administer the plan. This deficit will be funded by IGNITE's unreserved fund, which has a balance of approximately \$4.5M after considering this year's planned deficit.
